1. Colds and Flu

Flu Jab

These two have had their
Flu Jabs ...
So they have less chance of
catching Flu this Winter

Have you had your Flu jab?

Check with your doctor or
chemist to find out how you
can have a Flu jabs

2. Bad Weather

In case the weather gets too bad to go out ...

It's a good idea to buy some emergency food supplies now

Easy to cook tins and packets of food, long life milk, are easy to store

3. Keeping Warm

If it's cold wrap up well

If you go out ...

hat, scarf and gloves will help to keep you warm

In your home, a hot water bottle and a warm blanket are good ...

And can help you save on heating bills

5. Mobile Phone

In an emergency your Mobile Phone is a good way to contact someone you trust ...

- Make sure your Mobile is always charged

- At night have your Mobile at the side of your bed

- But do not have it on charge while you are asleep
